LAUNDRY CHUTE SYSTEMS

No more messwith our Laundry Chute Systems!

800-1-800-451-1111

DISCOVER THE POSSIBILITIES

ENJOY A CLEAN AND COMFORTABLE HOUSEHOLD WITH THE HELP OF EASY-LINE.

The easiest way to bring dirty laundry to your wash machine is through a Easy-Line system. Just toss your laundry into the laundry chute door. It will make its way directly to your laundry basket next to your wash machine in a flash!

Who wants to collect and carry dirty laundry around their house?

Make your life "easy" with Easy-Line.

There is not a more comfortable or convenient way to bring laundry into your laundry room. All you have to do is open the laundry chute door and through all of your dirty laundry down the laundry chute.

Smart closures: We offer child safety laundry chute doors! All doors have an adjustable spring to adjust the tension to give small children no chance to open them on their own.

We also install locks on our laundry chute doors upon request.

The Easy-Line laundry chute system are a well thought out, pluggable pipe system that equires no maintenance after installation.

Dirty laundry piles and smells are a thing of the past thanks to our Easy-Line laundry chute system. Forget about carrying heavy laundry baskets to your laundry room or having to bend over to pick up scattered laundry across the house. Easy-Line eliminates these types of chores.

Your happiness over this indescribable comfort will cover any doubt you may have. Your family members will appreciate this amazing product – a life time- daily!

EASY-LINE LAUNDRY CHUTE HIGHLIGHTS AT FIRST GLANCE

- Seamless laser welded stainless steel system, DIN 1.4301 quality, glass bead blasted, or high gloss polished.
- integrated child safety feature
- Made in Germany
- Pipe connections with tension locks to prevent twisting, turning and sliding
- airtight system to prevent heat loss
- no sharp edges for laundry to get caught on
- Lockable laundry chute doors with an airtight system to prevent sound propagation
- RAL 9003 powder-coated or stainless steel brushed finish
- No static charge as by a plastic pipe system
- Easy installation
